To further these goals, the BOCES has posted this Parents' Bill of Rights for Data Privacy and Security.

(a) The exclusive purposes for which the personally identifiable information provided by BOCES or a Participating School District will be used by Vendor is to provide hosted services to BOCES or other Participating School District pursuant to a BOCES Purchase Order.

(b) Personally identifiable information received by Vendor, or by any assignee of Vendor, from BOCES or from a Participating School District shall not be sold or used for marketing purposes.

(c) Personally identifiable information received by Vendor, or by any assignee of Vendor shall not be shared with a sub-contractor except pursuant to a written contract that binds such a party to at least the same data protection and security requirements imposed on Vendor under this Agreement, as well as all applicable state and federal laws and regulations.

(d) The effective date of this Agreement shall be December 6, 2021 and the Agreement shall remain in effect for annual renewal periods, unless terminated by either party for any reason upon sixty (60) days' notice.

(e) Upon expiration or termination of the Agreement without a successor or renewal agreement in place, and upon request from BOCES or a Participating School District, Vendor shall transfer all educational agency data to the educational agency in a format agreed upon by the parties. Vendor shall thereafter securely delete all educational agency data remaining in the possession of Vendor or its assignees or subcontractors (including all hard copies, archived copies, electronic versions or electronic imaging of hard copies) as well as any and all educational agency data maintained on behalf of Vendor in secure data center facilities, other than any data that Vendor is required to maintain pursuant to law, regulation or audit requirements. Vendor shall ensure that no copy, summary or extract of the educational agency data or any related work papers are retained on any storage medium whatsoever by Vendor, its subcontractors or assignees, or the secure data center facilities unless Vendor is required to keep such data for legal, regulator, or audit purposes, in which case the data will be retained in compliance with the terms of this Agreement. To the extent that Vendor and/or its subcontractors or assignees may continue to be in possession of any de-identified data (data that has had all direct and indirect identifiers permanently removed with no possibility of reidentification), they each agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party. Upon request, Vendor and/or its subcontractors or assignees will provide a certification to the BOCES or Participating School District from an appropriate officer that the requirements of this paragraph have been satisfied in full.

Third party contractors must cooperate with educational agencies in complying with the law. If a parent or eligible student submits a challenge to the accuracy of student data to the student's district of enrollment and the challenge is upheld, Vendor will cooperate with the educational agency to amend such data.

Vendor shall store and maintain PII in electronic format on systems maintained by Vendor in a secure data center facility in the United States in accordance with its Privacy Policy, NIST Cybersecurity Framework, Version 1.1, and the BOCES data security and privacy policy, Education Law Section 2-d, Part 121 of the Regulations of the Commissioner of Education, and the Monroe #1 BOCES Parents' Bill of Rights for Data Privacy and Security, set forth above.
