

This section to be completed by the Third-Party Contractor and returned to Broome-Tioga BOCES

Section 1: Does the Third-Party Contractor have access to student data and/or teacher or principal data as those terms are defined by law?

☒ Yes

Please complete Sections 2, 3 and 4

☐ No

Please complete Section 3

Section 2: Supplemental Information Details

Third-Party Contractors subject to New York Education Law § 2-d – please complete the table below

Supplemental Information Elements	Supplemental Information
Please list the exclusive purpose(s) for which the student data or teacher or principal data will be used by the third-party contractor, as defined in the contract (or list the section(s) in the contract where this information can be found)	For students to learn Spanish, French and other new languages and for teachers to be able to monitor their progress and run reports.
Please list how the contractor will ensure that any other entities with which it shares the protected data, if any, will comply with the data protection and security provisions of law, regulation and this contract (or list the section(s) in the contract where this information can be found)	Rosetta Stone structures its contracts with subprocessors such that they are contractually obligated to process personal data in accordance with Rosetta Stone data privacy and security policies and procedures. Accordingly, Rosetta Stone's contractual obligations to clients are supported throughout the personal data lifecycle. Rosetta Stone conducts privacy assessments of our subprocessors prior to engaging them and periodically after that. Rosetta Stone's vulnerability scanning includes endpoints/services provided by subprocessors.
Please list when the agreement expires and what happens to the protected data when the agreement expires (or list the section(s) in the contract where this information can be found)	23 August 2022 Personal data is de-identified after contract expiration and grace period. Data retention is 366 days, or earlier if requested by a client.
Please list how a parent, student, or eligible student may challenge the accuracy of the protected data that is collected; if they can challenge the accuracy of the data, describe how (or list the section(s) in the contract where this information can be found)	Rosetta Stone provides self-service administrator tools. The District can correct any personal data elements are incorrect in any student, teacher or administrator profile.
Please list where the protected data will be stored (described in a way that protects data security), and the security protections taken to ensure such data will be protected and data security and privacy risks mitigated (or list the section(s) in the contract where this information can be found)	Rosetta Stone stores data in hosting facilities in VA and CA. Rosetta Stone is SOC 2-audited. In addition, Rosetta Stone requires its hosting providers to be SOC 2-audited and ISO 27001-certified. Physical security measures that are designed to protect tangible items that comprise the physical computer system and network that store personal data, including servers, and terminals that have access to the system, storage devices, and the like.

	Administrative security measures, which consist of management procedures and constraints, operational procedures, accountability procedures, and/or supplemental administrative controls to prevent unauthorized access and to provide an acceptable level of protection for computing resources and data. Technical security measures, which involve the use of safeguards incorporated into computer hardware, software, and related devices, and designed to ensure system availability, provide access control, authenticate persons seeking access, protect the integrity of information communicated via and stored on the system, and safeguard confidentiality.
Please list how the data will be protected using encryption (or list the section(s) in the contract where this information can be found)	All data is encrypted in transit and at rest.

Section 3: Agreement and Signature

Section 4: Data Privacy Rider for All Contracts Involving Protected Data Pursuant to New York State Education Law §2-C and §2-D

BOCES and the Third-Party Contractor agree as follows:

1. Definitions: a. Protected Information means personally identifiable information of students from student education records as defined by FERPA, as well as teacher and Principal data regarding annual professional performance reviews made confidential under New York Education Law §3012-c and §3012-d;

b. Personally Identifiable Information (PII) means the same as defined by the regulations implementing FERPA (20 USC §1232-g);

2. Confidentiality of all Protected Information shall be maintained in accordance with State and Federal Law and the BOCES's Data Security and Privacy Policy;

3. The Parties agree that the BOCES's Parents' Bill of Rights for Data Security and Privacy are incorporated as part of this agreement, and the Third-Party Contractor shall comply with its terms;

4. The Third-Party Contractor agrees to comply with New York State Education Law §2-d and its implementing regulations;

5. The Third-Party Contractor agrees that any officers or employees of the Third-Party Contractor, and its assignees who have access to Protected Information, have received or will receive training on Federal and State law governing confidentiality of such information prior to receiving access;

6. The Third-Party Contractor shall: a. limit internal access to education records to those individuals that are determined to have legitimate educational interests;

b. not use the education records for any other purposes than those explicitly authorized in its contract or written agreement. Unauthorized use specifically includes, but is not limited to, selling or disclosing personally identifiable information for marketing or commercial purposes or permitting, facilitating, or disclosing such information to another Third-Party for marketing or commercial purposes;

- c. except for authorized representatives of the Third-Party Contractor to the extent they are carrying out the contract or written agreement, not disclose any personally identifiable information to any other party; i. without the prior written consent of the parent or eligible student; or
- ii. unless required by statute or court order and the party provides notice of the disclosure to the New York State Education Department, Board of Education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of the disclosure is expressly prohibited by statute or court order;

— d. maintain reasonable administrative, technical, and physical safeguards to protect the security, confidentiality and integrity of personally identifiable information in its custody;

— e. use encryption technology to protect data while in motion or in its custody from unauthorized disclosure using a technology or methodology specified by the Secretary of the United States Department of Health and Human Services in guidance issued under Section 13402(H)(2) of Public Law §111-5;

— f. adopt technology, safeguards and practices that align with the NIST Cybersecurity Framework;

— g. impose all the terms of this rider in writing where the Third-Party Contractor engages a subcontractor or other party to perform any of its contractual obligations which provides access to Protected Information.
