**Parents Bill of Rights**  
**Liverpool Central School District**

The Liverpool School District is committed to protecting the privacy and security of student data and teacher and principal data. In accordance with New York Education Law Section 2-d and its implementing regulations, parents and eligible students can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any commercial purpose.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency.
3. State and federal laws, such as NYS Education Law §2-d and the Family Educational Rights and Privacy Act, that protect the confidentiality of a student's PII, and safeguards associated with industry standards and best practices, including but not limited to, encryption, firewalls, and password protection, must be in place when data is stored or transferred.
4. A complete list of all student data elements collected by NYSED is available for public review and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
5. The right to have complaints about possible breaches and unauthorized disclosures of student data addressed. Complaints may be submitted to NYSED online, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234, by email to [privacy@nysed.gov](mailto:privacy@nysed.gov), or by telephone at 518-474-0937.
6. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of their student's PII occurs.
7. Educational agency workers that handle PII will receive training on applicable state and federal laws, the educational agency's policies, and safeguards associated with industry standards and best practices that protect PII.
8. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.

## APPENDIX

### *Supplemental Information Regarding Third-Party Contractors*

In the course of complying with its obligations under the law and providing educational services to District residents, the Liverpool School District has entered into agreements with certain third-party contractors.

Pursuant to these agreements, third-party contractors may have access to "student data" and/or "teacher or principal data," as those terms are defined by law and regulation.

For each contract or other written agreement that the District enters into with a third-party contractor where the third-party contractor receives student data or teacher or principal data from the District, the following supplemental information will be included with this Bill of Rights:

1. The exclusive purposes for which the student data or teacher or principal data will be used by the third-party contractor, as defined in the contract;
2. How the third-party contractor will ensure that the subcontractors, or other authorized persons or entities to whom the third-party contractor will disclose the student data or teacher or principal data, if any, will abide by all applicable data protection and security requirements, including but not limited to those outlined in applicable laws and regulations (e.g., FERPA; Education Law Section 2-d);
3. The duration of the contract, including the contract's expiration date, and a description of what will happen to the student data or teacher or principal data upon expiration of the contract or other written agreement (e.g., whether, when, and in what format it will be returned to the District, and/or whether, when, and how the data will be destroyed);
4. If and how a parent, student, eligible student, teacher, or principal may challenge the accuracy of the student data or teacher or principal data that is collected;
5. Where the student data or teacher or principal data will be stored, described in a manner as to protect data security, and the security protections taken to ensure the data will be protected and data privacy and security risks mitigated; and
6. Address how the data will be protected using encryption while in motion and at rest.
