Sarah,

I spoke with our new Executive Director of Technology and he reviewed the Privacy Policy. As we have it in writing that there is no student or teacher PII necessary to access this extension it will not be necessary for you to sign the agreement.

We will instruct the teachers to notify the parents of your privacy policy before using the app with students.

Thank you for supplying this information.

Sincerely,
Jodene

Hi Melissa

Thank you for your email and for sharing this agreement. I have a quick question. Our app does not collect any data so I am not sure that it is relevant for me to sign the Vendor agreement? Could you please clarify/advise? Thanks!

Warm regards,

Sarah
