If no personally identifiable information is exchanged then we can add it to the software list as approved. I would attach this email correspondence to supplemental information hidden from public view in the DPSS portal.

Mike

Good Afternoon, Nancy,

Accounts receivable forwarded your request to sign the attached data sharing agreement to me for review. The Tyler software licensed to Arlington Central School District is not hosted by Tyler and no personally identifiable information is in Tyler's possession, therefore we don't feel this data sharing agreement would apply.

Please let me know if I can assist further with this matter.

Thank you,
