

## Direct Notice of Lucid Software Inc. Data Collection, Use, and Disclosure Practices

Your consent is required for the collection, use, and disclosure of personal information from students under 13 on Lucid's online our productivity, collaboration, and data visualization subscription services ("Subscription Services"). We will not collect, use, or disclose any personal information from students under 13 if you do not provide such consent. The Federal Trade Commission has stated that a district or school may consent to such data collection, use, and disclosure on behalf of the parent or guardian to the extent such data collection, use, and disclosure is to provide services solely for the benefit of the school.

### Personal information we collect from students under 13 years of age

- First and last name
- Email address
- Password
- In limited situations, information such as questions or comments via e-mail or live chat to Lucid customer support or responses to surveys.
- Files that the child creates and/or uploads using the Subscription Services (as well as previous versions of those files), including documents that a child creates, sharing lists, and other data related to the child's account.
- Persistent and session cookies, web beacons, and pixel tracking technology to record information such as:
  - account activity (e.g., storage usage, number of log-ins, actions taken);
  - data displayed or clicked on (e.g., UI elements, links, web pages viewed);
  - other log information (e.g., browser type, operating system, device name and model, IP address, date and time of access, length of time spent on our websites or in the Subscription Services, device identifier or a similar unique identifier, referrer URL, webpage that led a user to our website); and
  - user preferences while using the Subscription Services (e.g. language).

Lucid uses this information solely for education purposes for the benefit of the school. For more detail regarding Lucid's information practices for students who are using our Subscription Services through a K-12 school, please review our Lucid for Education Privacy Policy at [lucid.co/edu-privacy-policy](https://lucid.co/edu-privacy-policy).
