

BRISK BOOST ADDENDUM TO STUDENT DATA PRIVACY AGREEMENT

This Brisk Boost Addendum (“**Addendum**”) amends the Student Data Privacy Agreement (“**DPA**”) by and between Commack UFSD, located at P.O. Box 150, Commack, NY 11725 (the “**Local Education Agency**” or “**LEA**”) and Brisk Labs Corp., located at 1465 Ravenswood Drive, Los Altos, CA 94024 (the “**Provider**”) dated 2/26/24. This Addendum is entered into on the date of full execution below (“**Addendum Effective Date**”). Terms used but not defined herein have the meaning set out in the DPA.

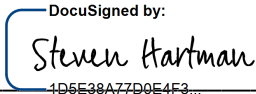

The parties agree as follows:

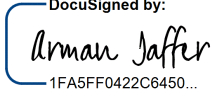

1. In addition to the educational tools that Provider offers for use by teachers, as described in the initial **Exhibit “A”** to the DPA (Description of Services), LEA is requesting access to the educational tools that Provider offers for student use, including without limitation Provider’s student-facing “Brisk Boost” offering.

2. **Exhibit “A”** to the DPA is therefore amended and restated as follows:

Provider offers AI educational tools that help instructors and students: (a) generate high quality feedback and (b) create and adapt learning content and curricula. Please note that the tools are intended to be used in tandem with other resources and to supplement instructor evaluation and analysis. Instructors and students should use them as part of a holistic approach to teaching and learning and not rely on them exclusively.

IN WITNESS WHEREOF, LEA and Provider execute this Addendum as of the Addendum Effective Date:
