For the avoidance of doubt, Non-Content Data does not include Protected Data, Student Data or Teacher or Principal Data.

(b)   Vendor will maintain the confidentiality of the Protected Data it receives in accordance with federal and state law (including but not limited to Section 2-d) and the District's policy on data security and privacy. The District will provide Vendor with a copy of its policy on data security and privacy upon request.

4.   **Data Security and Privacy Plan**

(b)   Vendor will provide such notification to the District by contacting Matt Palkovic directly by email at cvesnetadmin@cves.org or by calling 518.561.0100 x3132.

(c)   Vendor will cooperate with the District and provide as much information as possible directly to Matt Palkovic or his/her designee about the incident, including but not limited to: a description of the incident, the date of the incident, the date Vendor discovered or was informed of the incident, a description of the types of Protected Data involved, an estimate of the number of records affected, the schools within the District affected, what the Vendor has done or plans to do to investigate the incident, stop the breach and mitigate any further unauthorized access or release of Protected Data, and contact information for Vendor representatives who can assist affected individuals that may have additional questions.

(d)   Vendor acknowledges that upon initial notification from Vendor, the District, as the educational agency with which Vendor contracts, has an obligation under Section 2-d to in turn notify the Chief Privacy Officer in the New York State Education Department ("CPO"). Vendor agrees not to provide this notification to the CPO directly unless requested by the District or otherwise required by law. The Bill of Rights [that is posted on a district's website] must also include "supplemental information" for each contract that the school district enters into with a third-party contractor where the third-party contractor receives student data or teacher or principal data [protected by Education Law Section 2-d]. *See*, Education Law Section 2-d(3)(c) and Part 121.3(c).

In addition, nothing in Education Law Section 2-d or Part 121 requires an educational agency to include the "supplemental information" about each contract, within the contract itself.

However, many school districts and other educational agencies have considered it a best practice to include most or all of the required elements of "supplemental information" within each applicable contract, and have complied with the obligation to include the "supplemental information" for each applicable contract with their Bill of Rights, by posting *the text from this page of this Exhibit* from each applicable contract (or a link to this text) on their website in proximity to their Bill of Rights.

If requested by the District, Vendor will assist the District in exporting all Protected Data previously received back to the District for its own use, prior to deletion, in such formats as may be requested by the District.
- In the event the Master Agreement is assigned to a successor Vendor (to the extent authorized by the Master Agreement), the Vendor will cooperate with the District as necessary to transition Protected Data to the successor Vendor prior to deletion.
- Neither Vendor nor any of its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data will retain any Protected Data, copies, summaries or extracts of the Protected Data, or any de-identified Protected Data, on any storage medium whatsoever. Upon request, Vendor and/or its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data, as applicable, will provide the District with a certification from an appropriate officer that these requirements have been satisfied in full.

Challenging Accuracy of Protected Data: Parents or eligible students can challenge the accuracy of any Protected Data provided by the District to Vendor, by contacting the District regarding procedures for requesting amendment of education records under the Family Educational Rights and Privacy Act (FERPA). Teachers or principals may request to challenge the accuracy of APPR data provided to Vendor by following the appeal process in the District's applicable APPR Plan.

Data Storage and Security Protections: Any Protected Data that Vendor receives will be stored on systems maintained by Vendor, or by a subcontractor under the direct control of Vendor, in a secure data center facility located within the United States.
