

Data Security and Privacy Plan

As per section 7 of the Confidentiality and Data Security and Privacy Standards Addendum, this plan must be submitted by the Service Provider along with said Addendum.

1. Exclusive Purposes for Data Use

- a. Please list the exclusive purposes for which the student data [or teacher or principal data] will be used by the service provider.

Personal information is data relating to a person that can be used to help uniquely identify them, either directly or indirectly. You may be asked to provide personal information when in contact with Hudl. If you do not provide us with certain requested personal information we may not be able to provide you with some or all of Hudl's products and services. <https://www.hudl.com/privacy#two>

Initial ZC

2. Data Accuracy/Correction Practices

- a. Parent [student, eligible student, teacher or principal] may challenge the accuracy of the data by...

All data is entered by the user and editable by the user but contacting our support team (support@hudl.com) is the first step in the event a user is having difficulty with or don't understand any piece of data.

Initial ZC

3. Subcontractor Oversight Details

- a. This contract has subcontractors: Yes ☒ No ☐
- b. Describe how the contractor will ensure subcontractors abide by data protection and security requirements, including but not limited to those outlined in applicable state and federal laws and regulations:

Hudl uses third-party vendors and hosting partners to provide the necessary hardware, software, networking, storage and related technology required to run the Hudl website, and such third-party vendors may collect and store your data on behalf of Hudl. Hudl owns the code, databases and all rights therein. Hudl incorporates reasonable safeguards to help protect and secure your personal information. However, no data transmission over the Internet, wireless transmission, or electronic storage of information can be guaranteed to be 100% secure. Please note that Hudl cannot ensure or warrant the security of any information you transmit via its websites and/or products, and you do so at your own risk. The websites are general audience websites.

Initial ZC

4. Security Practices

- a. Where is the data stored? (described in such a manner as to protect data security)

Hudl uses third-party vendors and hosting partners to provide the necessary hardware, software, networking, storage and related technology required to run the Hudl website

- b. The security protection practices taken to ensure data will be protected include:

Hudl incorporates reasonable safeguards to help protect and secure your personal information. However, no data transmission over the Internet, wireless transmission, or electronic storage of information can be guaranteed to be 100% secure. Please note that Hudl cannot ensure or warrant the security of any information you transmit via its websites and/or products, and you do so at your own risk. The websites are general audience websites.

Initial ZC

5. Contract Lifecycle Practices

- a. The agreement expires
- June 30, 2021

- b. When the agreement expires,

- i. How long will the student [or teacher or principal] data be retained?
-
- Until the user requests that it's deleted.

- ii. How will the student data be disposed of?

Right to erasure. You may request that we erase your personal information and we will comply, unless there is a lawful reason for not doing so.

Initial ZC
